DISTRICT THREE CANDIDATES

✓ **Marion Blackburn** <http://marionblackburn.com/>

Thorbjorn Gylfason

Katherine Wetherington

In a district that includes the university, the downtown business district, the Tar River neighborhoods, and an area north of the Tar River, District 3 probably has the most diverse population, with the most divergent issues, in our city. Blackburn has demonstrated a level-headed, inclusive leadership style that will continue to serve well all her constituents and the city as a whole. Blackburn should be re-elected as the District 3 councilwoman.
